PROPOSED DECISION

Claimant, WESTON DODSON, who owned a stock interest in Compania Minera Lehigh, S.A., asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of the nationalization of said company's properties.

In our decision entitled Nolan P. Benner et al., Trustees, (Claim No. CU-8773 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on November 23, 1959, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$110.76.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Benner decision; that he was an American national at the requisite times; that he has been the owner of 46 shares of stock in Compania Minera Lehigh, S.A. since prior to November 23, 1959; and that he suffered a loss in the amount of \$5,094.96 within the meaning of Title V of the Act. Further, the Commission finds

that the amount of loss sustained shall be increased by interest thereon at the rate of 6% per annum from November 23, 1959, the date of loss, to the date on which provisions are made for the settlement thereof. (See Benner, supra.)

CERTIFICATION OF LOSS

The Commission certifies that WESTON DODSON suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Five Thousand Ninety-four Dollars and Ninety-six Cents (\$5,094.96) with interest at 6% per annum from November 23, 1959 to the date of settlement.
